Saturday, 10 June 2017
is Shepperton Village Fair Day!

Are you a Procession invitee or a competition entrant? A marquee or field stallholder? A raft racer? A cash sponsor? One of the thousands of spectators? Whoever you are, we look forward to your participation!

The programme this year includes the usual colourful mix of stalls, fairground attractions and, of course, the vast Fair Marquee, accommodating more stalls, the all-new History of the Fair Exhibition and the Photographic and Craft competitions. Entry to the Marquee is free, so there is unrestricted access throughout Fair Day. Nauticalia and Desborough Sailing Club will once again be hosting the spectacular Raft Race on the nearby River Thames.

This year, the Procession theme is *Pirates & Princesses* and we are looking forward to what the many invited entrants devise! There will be also be a marching band and stiltwalker, all led down the High Street by huge, gleaming Hogsback Harley-Davidson™ motorcycles and trikes.

On the field will be some tremendous attractions, including a stunt bike and tightrope act, an extreme petting zoo exhibit involving mountain gorillas (you won't believe it!), a large climbing wall, children's entertainers and displays by local groups.

Below are the contacts you need to know about – whatever your level of interest. Enclosed with this letter is the application form for Field Stalls and Banners, together with the **Stall Holders Information and Rules** sheet. This form and information is also available – along with the Marquee stall application, and in due course, the Photo and Craft Competition forms – from the Fair website www.shepperton-fair.org

Alcohol policy

The whole Fair site will again be alcohol-free in 2017. This policy has no impact on Fair stall prizes. See *Stall Holders Information & Rules* for more info.

Completed Application Forms

Please return completed 2017 Application forms to: Paul Chapman 154 Green Lane Shepperton TW17 8DZ
